

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to urge you to support the pending merger of EchoStar and HUGHES, the parent company of DIRECTV. As a former DIRECTV customer, I know the merger will increase video and broadband choices for consumers like me because the combined company will provide increased competition to cable companies.

The combined company will be a much stronger competitor to cable operators by being able to offer me local TV channels via satellite in my market area.

I currently have broadband access to the Internet, but the combination of EchoStar and HUGHES will result in increased competition in the broadband market by providing an affordable high-speed Internet service nationwide via satellite.

I appreciate your consideration of my views.

Sincerely,

J. Morgan Smith
